Hi Tina - thanks for the message. Nancy will not be available for a phone call until she is back in the office on the 11th. I am also currently out of the office and will be back in the 4th. I didn't catch in the message below if the meeting has been postponed. Can you let us know the status? Hope you all had a good holiday. Charlotte

> To follow up on the discussions you have been having on IRIS and the upcoming NAS workshop, i asked Tina to reach out to the academy to explore including OPPT in the agenda. The NAS would like to get together with us next week to discuss how we would see this meeting playing out. Tina will follow up with proposed times.
